

George Xue

Robotics Researcher | Engineering Science Undergraduate
University of Toronto | LEAF Lab
Email: george.xue@robotics.utias.utoronto.ca

Education

University of Toronto - Engineering Science Program
Bachelor of Applied Science, Expected Graduation: 2026

Research Experience

Research Assistant - LEAF Lab, UTIAS, University of Toronto
2023 - Present
Working on robotics research projects focused on autonomous systems

Skills

Technical: ROS, Computer Vision, Machine Learning, Control Systems
Programming: Python, C++, MATLAB, JavaScript, Arduino
Tools: TensorFlow/PyTorch, OpenCV, Gazebo Simulation, Git, CAD Software
